

Higher Diploma in Business Management

MQF/EQF Level 5 | 120 ECTS

Higher Diploma in Business Management

Accredited at MQF Level 5

Course Rationale

The aim of the Diploma in Business Management is to provide participants with advanced management skills and knowledge needed to become an effective manager.

The practical nature of this programme ensures participants are equipped to play a vital management role of any organisation. Participants will be equipped to interpret and synthesise information to confidently resolve complex issues which face today's organisations. Participants will also gain a deep level of knowledge and understanding of current issues within Management for their immediate workplace application.

It is designed on a modular basis to meet the needs of working professionals.

Target Audience

The target group focuses primarily at assistant managers; junior managers; and working individuals who are aspiring to becoming managers.

Course Duration: Part-time basis (25 months)

Accredited qualification recognised worldwide

Entry Requirements

Candidates who apply for this course must:

- have a qualification at level 4 ('A' level or equivalent) in any subject; and
- a pass in English language and Mathematics at level 3 ('O' level or equivalent).

Preference will be given to prospective students having 1 year work experience related to the study programme.

Applicants will be asked to submit their application forms with all the necessary qualifications. The documents will be evaluated by the admission board that is formed by the director of studies and registrar. Following the meeting, a decision is taken accordingly and communicated to applicants.
